Monday 3rd September 2018

Dear Parents,

I hope you have all had a lovely August and

This Month the children have been very busy and have enjoyed participating in some lovely activities with their peers. To give you some idea of what the children have been up to we enjoyed going to the park for our sports day, taking part in a variety of games, trying different sports and enjoying the lovely weather. This month has also been a little emotional for the staff as we held our 2018 Graduation. We took the opportunity to celebrate how well all the children have progressed and how far they have all come since their time in the nursery. Some of the children have been with us since they were toddlers so saying goodbye was a little hard. Seeing how well all the graduates have developed and knowing they are more than ready for big school has made saying goodbye a little easier, especially when they promise to come back and visit us in the future. We also enjoyed our trip to the paradise wild life park, we had beautiful weather and had lots and lots of fun, definitely a good way to end before we take our holiday.
